This issue does not replace USA Wrestler print editions, which will resume publication in the future, but is an expanded additional issue available to all in the wrestling community, including current USA Wrestling members and anyone else who enjoys the sport.

USA Wrestling and its publishing partner WIN Magazine came together to design this 60-page digital magazine, the largest USA Wrestler ever published. The use of the digital magazine format allows USA Wrestling and WIN to create a more interactive publication, which includes the ability to click images to see a variety of videos.

USA Wrestling reached out to a number of sponsors and partner organizations to help create stories and video content for the expanded publication. Joining WIN as special contributors to the bonus edition are Flowrestling, Trackwrestling, Suples, Rx Smart Gear, National Wrestling Hall of Fame, Wrestle Like a Girl, Jason Bryant of Mat Talk Online and Wrestling Mindset.

Also included are many of the regular features that USA Wrestling members enjoy, including athlete profile stories, columns, training tips, a photo contest, rankings, exciting action photography and more.

USA Wrestling is reaching out to the entire wrestling community, asking everyone to try out the digital edition and enjoy its many feature articles, video links, photos, puzzles, advertisements with interactive links and videos and more. You are encouraged to send the information to anybody who loves wrestling for them to enjoy.
